

# QUEEN OF THE APOSTLES

*Roman Catholic Church*

February 2020

Dear Members of the Parish Family:

With our moving into a new and much larger worship space, we no longer need the number of Masses on a weekend that we currently have. You might recall that about seven years ago we added a third Sunday Mass and changed the Mass schedule from the 8:30 and 11:00 slots we had to what you are currently accustomed.

In deliberating the best way to shift our schedule, there were several factors to consider. First, we had to look at the time frames that a majority of parish members used on Sunday. Second, we had to look at the schedule in relationship to other Sunday commitments and lastly, we had to consider other "resource" issues, such as musicians, ministers and traffic patterns. To this end, I'd like to announce the revised Mass schedule for weekends here in the parish. It will be effective the weekend of **February 29 – March 1, 2020**, our first full weekend in the new church.

**Saturday evening:**

**5:00 PM**

**7:00 PM *en Espanol***

**Sunday morning:**

**9:15 AM**

**11:00 AM**

For about a month and a half this will be a challenge to our Faith Formation schedule on Sunday morning, however, after this Spring semester is concluded, the Faith Formation program will be moving in the Fall to our own campus and to a Wednesday evening time slot for PreK through 5<sup>th</sup> Grade (Middle School and High School youth will keep the same Sunday evening schedule). Let's patiently work together to finish the Spring semester!

**Daily Mass** will continue to be celebrated in the 1965 building, which will be renamed **St. Katherine Drexel Hall**. The schedule remains the same:

**M,T,W & F: 9:00 AM**

I know this time of growth and change, which can be a challenge, will continue to also be a blessing to all of us.

Fraternally in the Lord:

Reverend Francis T Cancro,  
Pastor
